## Motorist Is Blamed For Local Accident

A charge of driving too fast for conditions was placed against Isaac Hunter, Harrisburg, before Justice of the Peace John H. Basehore, by borough police following an accident at 9:45 o'clock Sunday evening in an alley in the rear of W. High St.

Police said Hunter's car struck another vehicle operated by Martin Alvarado, Aspers, 1, causing \$75 damage. The Alvarado car had almost stopped at the time of the crash while Hunter was said by police to be driving at 25 miles per hour.

## PRESBYTERIAN S. S. CROWDED BY BIG ENROLLMENT

Officers and teachers of the Presbyterian Church School discussed plans for shuffling department quarters in the church school building to provide space for the Primary and Senior High departments that have outgrown their present quarters. The Junior High Department and an adult class may be involved in the exchange of room assignments.

The Primary Department which has occupied a small assembly room and three classrooms now have about 45 boys and girls enrolled and can no longer be accommodated there, Mrs. Frank Hewetson, the superintendent, said. The Senior High Class with about 20 enrolled has outgrown its present meeting place in the pastor's study.

Plans were made to have the various departments of the school take part in a "wash cloth shower" to gather gifts to be turned over to the Gettysburg Council of Churches for dedication on World Community Day in November. The gifts will be sent to Korea.

### Gets 14-Year Award

Secretary Russel Hackman and Treasurer David Deitch presented their reports. Attendance at Rally Day services on Sunday morning reached 167, the reports showed, a figure slightly above that for Rally Day, 1952.

Promotion certificates were awarded to pupils graduating from the Kindergarten, Primary, Junior and Junior High Departments.

Attendance awards were distributed. (Continued On Page 2)

## NEW REPORTER JOINS TIMES

The news staff of The Gettysburg Times was enlarged by one this morning when it added Ray C. Koehler, a 25-year-old ex-Korean veteran to its organization.

Formerly a resident of Reading, Pa., Koehler graduated from the Pennsylvania State College as a journalism major in 1951. At that time he became a member of the Reading Times news staff where he remained until he was drafted in the fall of 1951.

During 15 months infantry service in Korea with an Intelligence and Reconnaissance raider platoon, Koehler saw active duty with the 45th Division in the Choswon and Sandbag Castle areas. At the conclusion of his term of enlistment he left the Army with the rank of sergeant.

While an undergraduate student at Penn State, Koehler was a member of Sigma Delta Chi, professional journalism honorary, and Pi Kappa Phi, social fraternity. In his senior year he assisted in the editing of the college newspaper, an 8-page daily, and was a member of the editorial staff of LaVie, college yearbook.

## MEETING POSTPONED

The meeting of the community group seeking to establish a community center here scheduled to be held Tuesday night has been postponed until October 15, Chairman John S. Rice announced today. Postponement of the meeting was decided upon to permit completion of a committee report scheduled for the session. The meeting will be held at the fire engine house, E. Middle St., at 8 p.m.

## VFW DRILL TEAM ORGANIZED AT FAMILY PARTY

Plans for establishment of a 35-man drill team from the firing squad of the local Veterans of Foreign Wars Post were outlined Sunday afternoon at a family party held by the firing squad at the former CCC camp on W. Confederate Ave.

The present 25 members of the squad have started regular close-order drill sessions at the National Guard Armory here and plan to enlarge their outfit to 35 during the winter months.

The squad will continue to serve as a firing squad and color guards for military funerals.

### Strohm Is Drillmaster

Raymond Strohm, for many years ROTC sergeant at the college here, and in charge of the firing squad, will serve as drillmaster.

The group will meet every other week throughout the winter. The first hour of drill will be held at the armory after which a business session will be held at the VFW.

At the family party held for the members and their families Sunday afternoon a three-inning softball game was played between the men and the women. The game ended in an 11 to 11 tie. Mrs. Cletus Mayer pitched and Mrs. John Rummel caught for the women's team. The battery for the men comprised John E. Berger and John W. Roth.

There were games for the children. Approximately 50 attended.

## NATURE COURSE FOR BOY SCOUTS THIS WEEKEND

A two-day program over the Jack Frost Nature Course at Camp Conewago (Dicks Dam) has been arranged for Saturday and Sunday for all Scouts, Explorers, and Scouts of the Black Walnut and Conewago districts wishing to attend.

Registration for the outing — which is to be held on the patrol basis — will be conducted Saturday between 1 and 2 p.m. Patrol leaders will report to Camp Director W. O. Randall. There is no registration fee.

Patrols will furnish food and cooking gear and plan to prepare and serve their own meals. As sleeping space is limited, troops with tentage are requested to bring this item with them. All participants are required to furnish individual toilet articles, blankets, food, and other personal necessities.

Following the registration hour the camp program calls for setting up of equipment and a scavenger hunt. Movies will be shown after supper hours.

Sunday breakfast will be served from 7 to 8:30 a.m., followed by devotional services in charge of Elwood Riddle and Merrill Kessler. Catholic scouts will attend Mass in New Oxford.

Activities scheduled for the remainder of the Sabbath will consist of a flower hike, tree hike, and identification of trees and flowers. Camp will be broken at 4 p.m.

Included on the flower committee are: M. Yohe, F. Altland, C. Weaver, M. Kessler, E. Geiman. (Continued on Page 2)

## Special Meeting Of School Bd. Tonight

There will be a special meeting of the Gettysburg Joint School Board this evening at 8 o'clock at the high school building when the Finance and Planning Committee will report to the general board the results of its study of the bids for the auditorium-classroom addition to the high school building.

The bids were opened at the regular September meeting of the directors two weeks ago. The committee, which is headed by Ralph W. Guise of Straban Twp., met with architects and consultants from the office of John B. Hamme, York, last Monday evening at the school building.

## Car, Truck Hook Up And Leave Highway

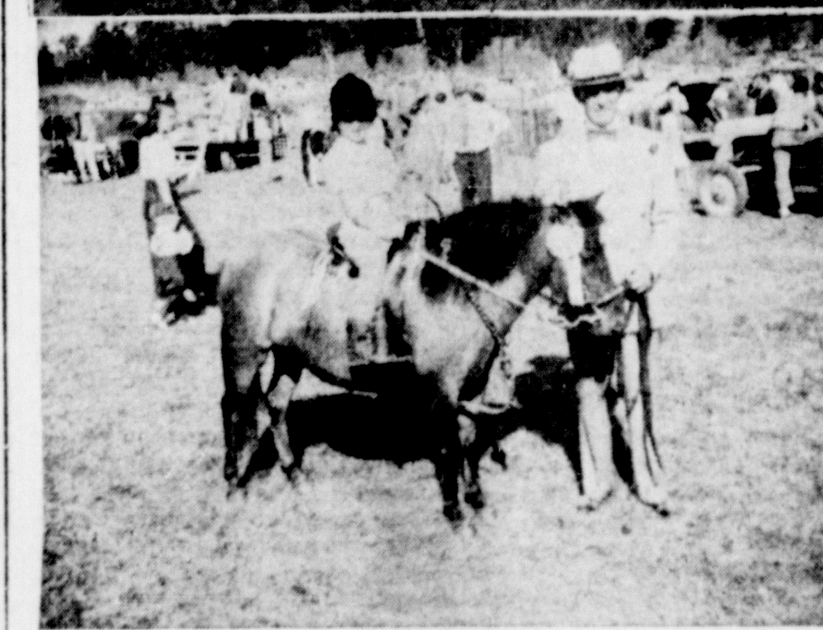

Raymond C. Shindedecker, Gettysburg R. 2, suffered laceration of the fingers when his car and an H. Earl Pitzer, Aspers, tractor-trailer collided Friday evening at 6 o'clock on the Biglerville-Gettysburg Rd. at the Meadow Valley Abattoir.

State police, who investigated, said Shindedecker was driving north and started to make a turn into the abattoir just as the truck, driven by Charles H. Taylor, Patapsco, Md., started to pass the auto.

The truck and car hooked sides and ran into a field. There was no damage to the truck. The side of the car was badly torn and damage was estimated at \$500. Shindedecker's wife and two children, with him in the car, escaped uninjured.

## Winners At Horse Show

## Report British Troops Will Leave Suez Canal, 18 Months

CAIRO, Egypt, (AP)—An official Egyptian source said today Britain had agreed to remove its troops from the strategic Suez base within 18 months. This put Britain and Egypt nearer to a solution of the Suez dispute but a British embassy spokesman said an early complete agreement was unlikely.

The Egyptian informant said technical questions remaining included the status of about 5,000 British experts who would remain at the base after the 18-month period expires. Britain wants them in uniform. Egypt insists they wear civilian clothes. The informant said Egypt would break off negotiations if this demand is not met.

The Egyptians want the experts to remain six years instead of the seven sought by the British. This question is also undecided.

But the Egyptian informant stressed that a main hurdle was overcome with British agreement that the base would be made available to Britain and her allies only in event of actual warfare against an Arab state. Previously Britain had insisted that the base be made available in event of threat of war against the Arab states or Greece, Iran and Turkey.

The Arab states include the eight members of the Arab League—Egypt, Iraq, Saudi Arabia, Syria, Lebanon, Jordan, Yemen and Libya.

## K. C. INSTALLS NEW OFFICERS HERE ON SUNDAY

New officers of the Gettysburg Council of the Knights of Columbus were installed Sunday evening at a meeting of the local council held in its rooms in the Weaver Building, Lincoln Square.

District Deputy Grand Knight Leo Fogal, Chambersburg R. 2, was in charge of the installation assisted by Past District Deputy Edward Geary, Chambersburg and Joseph Washabaugh, controller of the Chambersburg Fourth Degree Assembly of the Knights of Columbus.

The officers installed included: John Dattilo, grand knight; Allan Redding, deputy grand knight; Leo McDermitt, chancellor; James J. Dillman, recorder; John Rummel, financial secretary; Leo Dillman, treasurer; Charles Dillman, warden; Simon Redding, inside guard; Charles Riley, outside guard; Lawrence Eckert, Charles Redding and Dr. James Oyer, trustees; Glenn Shields, advocate; Dr. Joseph Riley, lecturer and Rev. Fr. Anthony F. Kane, chaplain.

The local council agreed to join with the Chambersburg and Waynesboro councils in affiliation with a grand assembly of the Fourth degree at Chambersburg, to be made up of fourth degree members from the three councils.

Plans were also made by the local council to join with Chambersburg and Waynesboro councils in a joint Columbus Day observance October 11 at 6 p.m. at Chambersburg. Approximately 90 members and their wives of the local council are scheduled to attend the Columbus Day affair at which the Most Rev. George L. Leach, Bishop of Harrisburg, will be the speaker. The program will include a dinner, the talk by Bishop Leach followed by a program of entertainment.

## Takes Nap On Her Pony

Such a thing as a horse show can't keep 17-month-old Roxanne Stine, daughter of Mr. and Mrs. Gilbert Stine, Keysville, Md., near Taneytown, from taking her afternoon nap.

Roxanne, wearing a red riding coat and red hat, was riding "Trigger" in the lead line pony class at the Emmitsburg Horse Show Sunday afternoon with her father leading.

During the judging Roxanne, somewhat sleepy, put her head down on the pony and went to sleep.

She won fifth place in the event.

## MRS. R. F. SHEELY IS HONORED BY WOMEN'S GROUP

Mrs. Raymond F. Sheely, 127 W. Lincoln Ave., was elected counselor of the Fifth District of the Women's Auxiliary to the Medical Society of the State of Pennsylvania at the 29th annual meeting of the organization in Pittsburgh last week. Sessions were held in the Roosevelt Hotel.

Mrs. Sheely, wife of Dr. Raymond F. Sheely, was named to the office by the board of directors of the district to complete the unexpired term of Mrs. Robert Reiner, Loysville, who has moved temporarily from the district. She will serve for two years.

The Fifth District which Mrs. Sheely will serve for two years includes Adams, Cumberland, Dauphin, Franklin, Lancaster, Lebanon, Perry and York Counties. Since the district counselors are members of the state board of directors they act as liaison officers between the state board and the county auxiliaries. They solve whenever possible the numerous small problems at the county level and offer assistance and advice.

The state is divided into 12 counselor districts which correspond to the districts of the state medical society.

Gettysburg College Grad

Mrs. Sheely, the former Miss Margaret Zinn, daughter of Dr. and Mrs. John B. Zinn, W. Broadway, received her A.B. and Master's Degree in English at Gettysburg College. She was a member of the faculty of the Greenville High School in Greenville, N. C., prior to her marriage. A member of Delta Gamma Sorority, Mrs. Sheely is president of the Adams County Girl Scout Council and a member of the board of directors of the Civic Nursing Association of Gettysburg.

She was the first president of the Women's Auxiliary of the Adams County Medical Society. She is a past president of the Woman's League of Gettysburg College and a past president of the Warner Hospital Auxiliary.

Dr. and Mrs. Sheely returned home from Pittsburgh on Saturday.

## ROAD BLOCKED, \$6,120 DAMAGE AFTER BLOWOUT

Traffic was obstructed on the Gettysburg-Harrisburg highway for nearly four hours this morning after a rear tire on a truck-tractor and trailer combination blew out and left the wrecked vehicle crosswise on the road. Damage totaled more than \$6,000.

South bound traffic was directed around the disabled truck but northbound cars were sent around the accident scene by way of Wells-ville until the wreckage was cleared about 7:30 a.m.

The accident occurred at 3:45 o'clock three miles north of York Springs when a tire on a rear dual wheel of the big truck operated by Albert Jones, 31, Big Run, Pa., blew out.

Load Of Milk Bottles

The trailer jack-knifed and struck a tree on the left side of the road ripping the wheels out from under the trailer. The wheels skidded around with the rear end off the paved section but with the trailer and the cab across the highway.

Damage to the trailer was placed at \$6,000 and that did not take into account possible damage to its cargo of empty milk bottles. The trailer had not been opened for an inspection of the cargo before the big truck was moved off the road.

About \$120 damage was caused to trees and fences on the roadside properties of Philip Hudson and J. A. Smith, Dillsburg R. 1. Jones was riding alone and was unhurt. The truck he drove is owned by the R. and H. Corporation of New Kensington. He was headed south.

## School Children Buy U. S. Saving Stamps

During the 1952-53 school year, the Gettysburg post office sold \$2,080 worth of United States Savings Stamps of the 10c and 25c denominations, it was announced today by Postmaster L. E. Oyler.

"The 10c and 25c saving stamps are the most popular units used in the school savings programs of our community," Mr. Oyler stated. "This large volume of sales indicates the constantly increasing participation of our youngsters in this worthwhile thrift program."

"The Treasury Department has announced that it hopes by December 31 to add at least 1,000,000 students to the 5,000,000 now in schools having the School Savings Plan. Anticipating the increased enrollment, the local post office has received supplies of both stamps and albums during the summer and is fully prepared to continue serving all our schools for their weekly Stamp Days."

A recent report from the U. S. Savings Bonds Division in Washington shows that overall stamp sales in the last school year amounted to \$14,931,000, an increase of \$900,000 over the previous year. The national total of individuals savings stamp sales of the 10c and 25c denominations was 78,168,000, which represented an increase of 6,000,000 over the number of individual stamps sold the preceding school year.

## FORTY HOURS SERVICES AT LITTLESTOWN

The annual Forty Hours Devotion is now being conducted in St. Aloysius Catholic Church and the church was filled to capacity for the opening services on Sunday morning at 10 a.m. The Forty Hours Devotion is in commemoration of the hours Christ spent in the tomb. A procession with the Blessed Sacrament took place, with the school children participating. At its conclusion, twenty flower girls of the first and second grades, dressed in white with floral and ribbon headbands, and carrying flowers, formed a guard of honor for the Blessed Sacrament. The pastor, the Rev. Fr. Edward J. Shanahan, sang the Litany of the Saints, with the girls of the school answering the responses. The high mass was sung by the senior choir, with Miss Anna C. Weaver at the console and Miss A. Marie Budde directing.

Services this evening will begin at 7:30 o'clock and confessions will follow. Masses on Tuesday morning will begin at 5:30 and 7:45 a.m., the latter a high mass sung by the children's choir. The solemn closing of the Forty Hours with procession and visiting clergy will take place at 7:30 p.m. on Tuesday. The Rev. Francis McNelis, vice president at Mount St. Mary's College, Emmitsburg, is conducting the Forty Hours.

There will be no school at St. Aloysius on Tuesday and Wednesday, when the Sisters will attend to the "Riding Down," Harris Patton; "Wings of the North," and "Young Eagles," also by Patton; "Under the Great Bear," Kirk Munroe; "Flying the Coasts Skyways," Ambrose Newcomb. The library, located on the second floor of the engine house, is open every Monday from 6 to 8 p.m.

### Harvest Service

Appropriate harvest decorations formed a perfect setting for the annual Harvest Home service on Sunday morning in the Centenary Methodist Church. The harvest donations of cash and food will be taken to the Methodist Children's Home at Mechanicsburg. The pastor, the Rev. Harvey B. Simons, presented the harvest message for the large congregation. World Wide Communion Sunday will be observed in Centenary Church on October 4 at 10:30 a.m. The pastor will also baptize infants at this time. It has been announced that the date for the annual homecoming celebration has been set for November 1.

## Twin Brothers Are Signed By Pirates

ALLETNTOWN, Pa. (AP) — The Pittsburgh Pirates sign 'em up in pairs.

The National League team yesterday signed Dean and Denton Lakatosh, identical 19-year-old twins from nearby Slatingsburg, Pa., to bonus contracts. Dean, a pitcher-first baseman, and Denton, a catcher, are 6 feet 3 and weigh 172 pounds. The amount of the bonus was not disclosed.

Pirate scout Roy Welsh, who signed the pair, said their contracts were assigned to the Dublin, Ga., team of the Class D Georgia State League.

Another set of twins, Johnny and Eddie O'Brien of South Amboy, N. J., who starred in basketball at Seattle University, were signed by the Pirates earlier this year. They were inducted in the Army late in the season.

## UNION BRIDGE TOPS NO 13-3

Union Bridge, which hasn't lost a Pen-Mar Baseball League game all season, gained the final playoff series for the league championship by blasting out a 13-3 victory at New Oxford Sunday afternoon.

The Marylanders won the regular season championship with 21 straight victories and followed with 11-1 and Sunday's triumph over New Oxford in a semi-final series.

Shaffer and Shank formed the winning battery. Bill Fuhrman and Lee Byers divided the hurling for New Oxford.

Emmitsburg, who eliminated Blue Ridge Summit in two straight in the other semi-final series, will play at Union Bridge next Sunday as the title best-of-three affair opens.

## 276 Killed, 323 Missing In Typhoon

TOKYO, (AP)—The typhoon that hit Japan Friday killed 276 persons, left 323 missing and injured 993, Japanese national police headquarters said today.

Police also reported that 19,827 houses were demolished, 434,630 other houses flooded; river dikes broken at 6,667 places, 4183 bridges washed away and landslides occurred at 7,992 places.

The typhoon—13th of the year—was the fourth to bring disaster. Earlier typhoons killed 1,500 and several hundred others remain on the missing list.

All American Indians are legal citizens of the United States.

the biggest upset victim of 1953 when it fell before Trinity, new to double A ranks this year, 38-20, after 10 regular season triumphs. Washington was edged by Allquippa, 13-12, in last fall's WPIAL post season playoff.

**Upper Darby Falls**  
Upper Darby, suburban Philadelphia titlist and winner of nine in a row last year, got off to an unsuccessful 1953 start, losing to Lancaster's Central Penn champions.

Last year at this stage there were six holdover eleven still owning unbeaten and untied records extending through the previous campaign.

Sunbury, Pottsville, Old Forge, West Scranton, Swoyersville, Tamaqua and Coaldale all recorded league triumphs to stay in the thick of the race for East Penn honors.

The first official standings of the season put Pottsville (2-0-0) and Sunbury, defending division champion (1-0-0), atop the Southern Division. Old Forge (2-0-0), league titleholder, leads the Northern Division.

**Lansford Tied**  
Lansford held Schuylkill Haven to a 13-13 tie. Pottsville had little trouble with Shamokin, and Old Forge beat off a strong Blakely team in features of the weekend card. Tamaqua and Coaldale have best conference marks, three wins without a loss or tie.

Other Central Penn clubs came out on top in a non-league contests considered a tossup. Williamsport outclassed Coal Twp. for a three touchdown victory. Lebanon's Cedars were slowed down a bit by John Harris of Harrisburg but after being upset two years running finally came through with a win.

Philadelphia Bok, 40-13, loser to Reading a week before, pulled the rug from underneath Bethlehem, outplaying the upstate school all the way for a 6-0 triumph, the first registered by a Philadelphia

eleven over Bethlehem in four years. Lock Haven and Danville registered Susquehanna League win No. 2, while Gettysburg and Hanover were victorious in South Penn openers.

Conemaugh Twp., Adams, Hollidaysburg and Bellwood-Antis, each had three Western Conference wins tucked away but the official standings rate Conemaugh and Windber on top. Defending champ Ebensburg is out of the running with three straight losses.

Thirteen AA WPIAL games narrowed the field vying for Allquippa's crown to 15—Allquippa, Monessen, Charleroi, Johnstown, Latrobe, Jeannette, Scott, Munhall, Farrell and Washington were eliminated by losses or ties. Trinity, Turtle Creek and Donora have won twice.

## THE Camera COLUMN

By Dave Garfinkle

Visual impact, the first of the qualities a picture must have if it's going to attract attention, isn't enough by itself. A good picture does more than shout, "Here I am. Look at ME!" After it attracts the eye, it must be

able to hold it by telling a picture story. The average amateur snapshot passes along very little information. It tells us what the subject looks like, perhaps, and what he was wearing . . . but nothing more. The only person this picture will interest are those who can supply information from past experience with the subject.

In order to pack information into your snapshots, give forethought to the posing and to selecting the background. A portrait shot of Mothers tells us less than a shot which is set up to give us information about her. Pose her in her favorite armchair and give her some socks to darn. Let the children be playing some game on the floor at her feet. If she has a cat who likes to curl in her lap, so much the better. And be sure to show enough of the room in the background to give clues to the kind of home Mother has created.

This snapshot will explain itself. Try this technique yourself for "building" information into your pictures. Use flash equipment for indoor shots, or try a time exposure. You'll need a sturdy tripod for clear, steady pictures. Stop in and see those in our stock, priced from only \$7.95. For everything photographic, see us, DAVE'S PHOTO SUPPLY, 52 Chambersburg Street, Gettysburg, phone 83-W.

## TRY THIS V8 POWER

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

UP a long steep hill—from a standing start—that's where you ought to sample this Buick's silent might.

Or on an ultramodern turnpike, where you can cruise at legal limit in a practically effortless loaf.

But try it you should—just to know the exuberant experience this V8 power can bring to you.

For this is automotive power that springs from a V8 engine of unique design—the brilliant new V8 Fireball engine that nestles under the hood of every 1953 Buick SUPER and ROADMASTER.

It is the world's first and only V8 engine with vertical valves, and a muffler of zero power loss.

• It is the only standard-production American

car engine to reach 8.5 to 1 compression. It is the first Fireball V8—with a host of advanced engineering features—and with the highest horsepower, Series for Series, ever provided in a Buick SUPER or ROADMASTER.

You ought to try this spectacular new Buick engine.

You ought to try it for instant response, for almost effortless power delivery, for silken quiet.

And, very definitely, you ought to try it teamed with Twin-Turbine Dynaflo\* for new, solid getaway and truly infinite smoothness. Getaway that's instantly responsive—and really easy on fuel.

Come visit us soon and we'll introduce you to a wonderful new motoring experience.

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times

ONE HUNDRED YEARS AGO

A vessel arrived at New York from  
Liverpool on Wednesday with a  
large number of passengers. No less  
than 79 persons died on the passage.

It is said that not less 4,000 persons  
visited the White Sulphur  
Springs the past season.

Married: On the 22nd inst., by  
Rev. Martin Lohr, Mr. Henry Loch-  
man, of this county.

On the 22nd inst., by Rev. R. Wes-  
ley Black, Mr. Adam Henry, to Miss  
Lavinia Kennel, both of Franklin  
Twp.

At Onwago Chapel, on Tuesday,  
by Rev. F. DeNecker, Mr. Edward  
Doyle, of Path Valley, Franklin  
County, to Miss Caroline D. Bold,  
near Littlestown.

At the same place, on the same  
day, by Rev. Mr. Enders, Mr. Francis  
Eline, to Miss Matilda Bowers,  
both of Littlestown.

The citizens of Chambersburg  
have had a meeting and are adopt-  
ing measures to have a public cem-  
etery established in the neighbor-  
hood.

Rum killed Polly Martin, a white  
woman, in Richmond, Va., on last  
Sunday two weeks. She leaves two  
children who are compelled to beg  
for sustenance.

The printers' strike in Pittsburgh  
has resulted in a partial substitution  
of females as compositors in several  
of the newspaper offices of that city.  
The girls have shown a great readi-  
ness to avail themselves of this new  
demand for their services and the  
applications for employment have  
already exceeded the places to be  
filled.

Counterfeit one dollar gold pieces  
are abundant in Cincinnati.

Fine Peaches: Mr. Jacob Mum-  
mert presented us with some fine  
peaches, which measured nine  
inches in circumference. The quality,  
too, was delicious.

**SEVENTY-FIVE YEARS AGO**  
The Fair: The 16th annual ex-  
hibition of the Adams County Agri-  
cultural Society was in progress the  
past week. On Tuesday the attend-  
ance was slim on account of rain.  
On Wednesday there was a larger  
attendance.

On the whole the exhibition is  
probably the finest ever given in  
the county. L. M. Buehler pre-  
sents a handsome case of artistic  
fret-saw work; A. D. Buehler and  
Co. have a fine display of pens;  
Penrose Myers, watches, jewelry and  
silverware; George E. Stock and A.  
McDonald, each a handsome case  
of cigars; Winter and Son, a case  
of revolvers and assorted goods; J.  
W. Tipton, a case of 99 cent goods;  
Amos Eckert, boots and shoes.

Prof. S. B. Heiges, of York, de-  
livered an excellent agricultural  
address on Wednesday.

The "big" race for \$150-\$90 to the  
first horse, \$45 to the second \$15 to  
the third, was won by M. Sultzbach's  
Maud in three straight heats. Time:  
2:45, 2:47, 2:47; R. A. Marshall's  
"Mary Jane" second, John Lower's  
"Longfellow" third. The contest for  
second place was close and excit-  
ing.

Republican Meeting: A large Re-  
publican meeting was held in the  
Court House Wednesday evening.  
The court room was crowded. The  
absence of Gen. Hoyt was a disap-  
pointment, but the able and effec-  
tive speeches of Mr. Brosius, of  
Lancaster, and Gen. Owen, of New  
York, made ample amends.

The meeting was called to order  
by S. McSwope, Esq., and organized  
by appointing the following officers:  
President, Jacob J. McHenry; vice  
presidents, J. Stewart Witherow,  
Joseph Little, Harrison Scott, Samuel  
McTaggart, R. M. Leber and William  
Steinour; Secretaries, Israel Shank,  
J. Baughman and Theodore Mc-  
Allister.

The meeting adjourned at a late  
hour in the best of spirits.

Married: Gitt-Rebert—Sept. 24, by  
Rev. John Ault, George Z. Gitt, of  
New Windsor, Md., to Miss Dillie C.  
Rebert, of Littlestown.

## Today's Talk

By GEORGE MATTHEW ADAMS

### REBEL THINKERS

It is interesting to note that  
most of our great philosophers  
have been rebels at heart and in  
expression—Voltaire, Montaigne,  
Rousseau, Thoreau, Emerson, and  
others. These minds have been  
those who have stimulated us all.  
My friend Prof. Herbert F. West  
of Dartmouth College recently  
wrote a book about these men—  
fourteen of them—under the  
title of "Rebel Thought." It's a  
stimulating book.

In my recent reading I came  
across the statement that "rebels  
alone are the interesting people."  
They are interesting because they  
make us think. They do not be-  
lieve in accepting truths that have  
not been proved, nor are they  
quick to agree with the many.  
The rebel is a soldier, fighting  
with ideas, to create a better  
world.

Old John Brown holds his place  
in history because he was a rebel  
in opposing slavery. Right or  
wrong, he had the courage of his  
convictions, and that is what mat-  
ters. Among writers, George  
Bernard Shaw and R. B. Cunning-  
hame Graham will live because of  
their rebel thought. The latter  
wrote one little book, call "Suc-  
cess," which is a classic of rebel  
thinking, but all that he wrote is  
worth reading. He wrote mostly  
to please himself, and to get his  
ideas into circulation.

The rebel is always a fighter be-  
cause he feels himself a free man  
and takes glory in the privilege.  
Many a martyr is remembered be-  
cause he was a rebel against the  
evil of his day. Many a rebel has  
changed the course of the world's  
thinking. And the world is better  
for it. We gain our greatest good  
from those with whom we do not  
agree. They are the ones who  
stimulate us to seek out the truth.

We should never feel ashamed  
of our ideas, if they are our own  
and we believe in them. It is a  
thing of courage to express them,  
though few may agree with us.  
Most of our great thinkers have  
represented minorities. But minor-  
ities, time and again, have created  
majorities. Often it's a slow pro-  
cess, but a sure one. Professor  
West, on the flyleaf to his book  
which he presented to me, wrote  
this: "There is nothing so ridicu-  
lous that some intelligent person  
may not, sooner or later, believe  
it!"

Tomorrow Mr. Adams will talk  
on the subject: "Always Packing  
Up"

**SUMMER'S END**  
Now we dress the children neatly.  
Every garment washed and  
mended.  
Life for them has changed com-  
pletely.  
School's beginning; summer's  
ended.

No more blue jeans needing patch-  
ing.  
No more damp hair left unparted;  
No more bites of insects scratching.  
Summer's over; school has started.

No more wet feet tracking stair-  
ways.  
No more wild, uncared for tresses.  
Summer's over. No more bare ways.  
Back to town and suits and dresses.

Little girls in frocks appearing.  
Boys with shirts on bodies upper.  
This from mothers all are hearing:  
"Go and wash yourselves for  
supper!"

## BROWNS' MOVE TO BALTIMORE BLOCKED; MAY GO WEST IN '55

NEW YORK (AP)—The imper-  
ished St. Louis Browns, denied per-  
mission to transfer to Baltimore,  
are still in St. Louis today but the  
club appears headed for the West  
Coast by 1955.

Vice President Del Webb of the  
New York Yankees, leader in yester-  
day's successful fight against  
Baltimore—that city's second re-  
buff in six months—is prepared to  
lead the way westward with Los  
Angeles the preferred spot.

Webb was one of four American  
League club owners who told  
Brownie President Bill Veeck that  
for the time being he must stay in  
St. Louis, where he lost upwards of  
three-quarters of a million dollars  
in 2½ seasons.

Vote Was 4 To 4

The vote was four in favor of  
moving to Baltimore and four  
against. The Browns thus fell two  
short of the necessary two-thirds  
majority. A breakdown of the se-  
cret ballot was not announced but  
it was learned that Philadelphia,  
Boston and Cleveland sided with  
New York against the move. Cleve-  
land was one of the two clubs  
which voted for Veeck last March  
when he first sought permission to  
move to the Maryland city.

The league's decision proved a  
crushing blow for both Veeck and  
the Baltimore delegation.

Charges "Squeeze"

"This is personal," he said.  
"They're trying to squeeze me out  
of baseball. I'll decide what to do  
by tomorrow morning. I may do  
something that could be called re-  
grettable."

Veeck declined to disclose his  
plans but Rudy Schaeffer, general  
manager of the Browns, said:

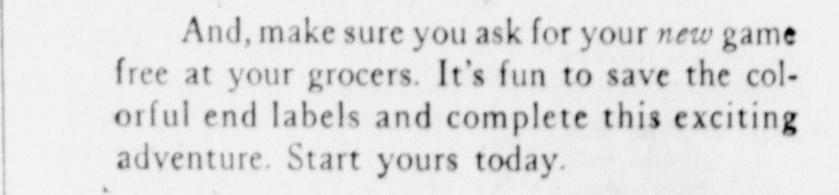

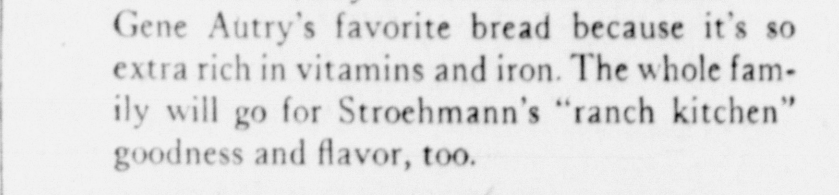

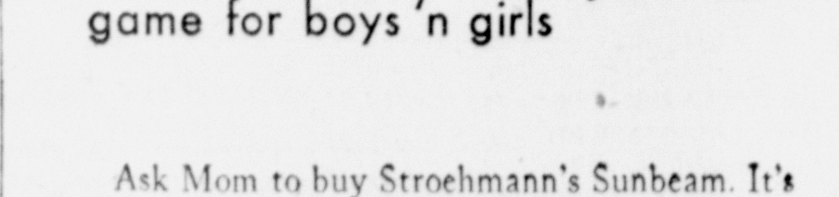

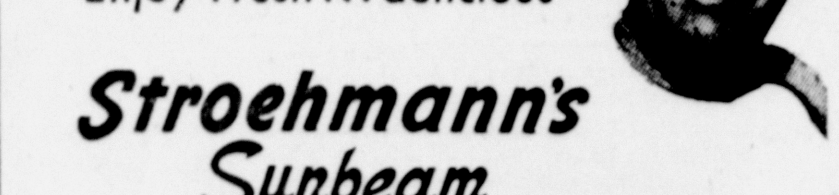

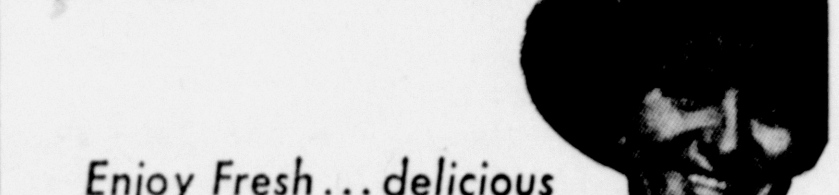

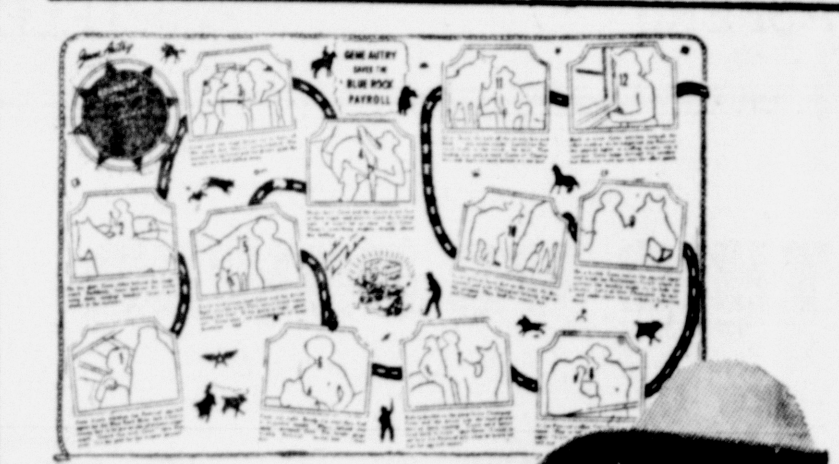

"The next step could be a law  
suit. We may bring a two million  
dollar suit against the league for  
the stock that has been subscribed  
by the people of Baltimore and  
damages for commitments made."

Webb championed the bid of a

they went to the cornfield and helped  
to cut off corn, she would give them  
their supper. One of the tramps re-  
plied that his mother had never  
taught him how to cut corn and  
they went away apparently in bad  
humor.

Mr. Mickley was at his father's  
near Fairfield, assisting to make  
cider.

About 7 o'clock two tramps were  
arrested near the foundry in this  
place by Officers Rouzer and Sheads  
and taken before Justice Wolf. Mrs.  
Mickley identified the tramps as the  
ones who called at her house. They  
were committed to jail.

## Hugh Bell Is Winning Driver At Roosevelt

WESTBURY, N. Y. (AP)—Hugh  
Bell, 49-year old driver from Del-  
aware, Ohio, won the 1953 driving  
title at Roosevelt Raceway, which  
closed its gates for the year Sat-  
urday night.

Bell, second trainer for the Han-  
over, Pa., Shoe Farms, succeeds  
Johnny Simpson, head trainer of  
the same stable. He won 20 races,  
had 15 seconds and 14 thirds in 87  
starts for a .379 average in the  
universal driver rating percentage.

## PENN IS ONLY BIG ELEVEN IN STATE TO WIN

By The Associated Press

It's back to the practice field  
and blackboard drills for another  
week for the state's major college  
grid teams after a weekend which  
saw only the University of Penn-  
sylvania take home the game foot-  
ball.

George Munger's Red and Blue  
came from behind to defeat Van-  
derbilt, 13-7, to inaugurate the  
toughest schedule in Penn's 77  
years of intercollegiate competi-  
tion.

But Pitt, Penn State, and Vil-  
lanova came away with nothing  
but bumps and lessons in gridiron  
tactics.

Among the smaller powers, Ship-  
penburg made it 10 straight over  
a three-year period with a  
23-14 win over Lock Haven. And  
in a hair-raiser at Palmer Stadium  
in Princeton, Lafayette tweaked  
the tail of the mighty Tiger for  
57 minutes before a long pass  
gave the Ivy League powerhouse  
a 20-14 triumph.

Heat Melts Villanova  
Villanova, beaten last week by  
Georgia, traveled to Texas to meet  
the Longhorns in 96 degree heat.

And despite a fine performance  
by Ralph Cicerone, who scored  
twice, the Wildcats took a 41-12

Los Angeles group headed by May-  
or Norris Poulson. This delegation  
put up a cash offer of 2½ million  
dollars for the franchise and said  
up to six million could be raised  
within 10 days.

"Expansion of major league  
baseball to the West Coast is inevi-  
table," Webb said. "I am a West-  
erner and therefore I know better  
than the other owners what a great  
potential Los Angeles and San  
Francisco have."

"This is not a personal ambition.  
I am not thinking of myself or the  
Yankees. I have the best interests  
of the American League at heart.  
We've got to move to the coast—  
and real soon. If we don't, then  
the National League will beat us  
to it."

## DETROIT LIONS SPARKLE IN WIN OVER STEELERS

NEW YORK (AP)—Last year at  
this time no one thought much of  
the Detroit Lions' chances of win-  
ning the National Football League  
championship. Here and there, the  
words "dark horse" crept into the  
conversation, but that was as far  
as any expert would commit him-  
self.

Things are different today,  
though. Even before the league sea-  
son opened yesterday, the Lions  
were tabbed as the choices to win  
the Western Conference title and  
go on to battle Cleveland, the per-  
ennial Eastern Conference leader  
for the crown.

The Lions have been coming  
along slowly over a period of four  
years and now seem to have  
reached their peak. They opened  
with a convincing 38-21 victory over  
the Pittsburgh Steelers as tough a  
bunch of blokes as there are in  
the league.

The Steelers figure to wind up  
second in the Eastern section, but  
they were no match for the pass-  
ing of Bobby Layne and the gen-  
thumping from the Southwestern  
champions. Cicerone, incidentally,  
is the state's early season scoring  
leader with 24 points.

Penn State took on Wisconsin's  
Big 10 champions out at Madison,  
and was shut out, 20-0. Alan  
Ameche—better known as the  
Horse—pounded the State line for  
115 yards and one touchdown be-  
fore he left the game midway in  
the final period. In addition, the  
209-pound fullback set up the Bad-  
gers' other two scores.

West Virginia, with halfbacks  
Jack Stone and Joe Marconi rack-  
ing up yardage, upended Pitt for  
the second straight year, 17-7, and  
Temple was shut out on a visit  
to Syracuse, by an imposing 42-0  
margin.

## Bullets Muff Many Chances As They Lose Opener 19-7 To Delaware; Penalties Costly

Delaware's Blue Hens shook the Bullets of Gettysburg College off their backs like so many drops of water Saturday afternoon before 5,500 fans at the new Delaware Stadium in Newark. The score was Delaware 19, Gettysburg 7.

The Bullets, who bogged down in sight of the Blue Hens goal line on three occasions made one sustained scoring drive that covered 60 yards following the first Blue Hen score.

Quarterbacked by brilliant Don Miller, the proteges of Coach David Nelson rallied in the second half to score two touchdowns after being held 7-7 at the end of the half.

Miller, whose passing split the Orange and Blue defenses wide open time and time again, called the right plays at the right times to account for huge chunks of yardage and more important, three touchdowns.

Rocky Carzo, a pile-driving 167-pound fullback, gave the hometown fans many thrills besides scoring the final touchdown. Jimmy Flynn, a 21-year-old sophomore, scored two touchdowns, one on a 21-yard jaunt and another on the end of a pass from Jimmy Zaiser.

Gettysburg appeared to have the jitters as at opportune moments for the home team it jumped the whistle and lost valuable yardage when it hurt the most. Sophomore Frank Gagliardi's debut as the successor to Berkly Ward was rather inauspicious as he was unable to get off his famed passes.

The Blue Hens opened the scoring when they drove from their own 45 with an eight-yard TD pass over the center from Jimmy Zaiser, on the end of a lateral from Miller, to Flynn in 0:35 of the second period.

Yost Racing 46

The Bullets countered immediately. After Gagliardi returned Serpico's kickoff to the Gettysburg 40, Yost picked up one through the center, and Gagliardi sneaked through for one more. On the ancient Statue of Liberty play, Yost took the ball off Gagliardi's outstretched hand and raced 46 to the Delaware 14. Yost picked up three and Ernie Paliszewski took a wide pitchout around left end for 9 more for a first down on the home team's 1. Gagliardi sneaked through the middle for the score. Joe Ujohal added the extra point with a perfect placement.

After holding Delaware on the following kickoff, the charged-up Bullets went to the Blue Hens 27 on two running plays by Gagliardi and an around end scamper by Yost. Here Gettysburg's jitters cost the Bullets a touchdown as Gagliardi hit Ujohal for a 32-yard apparent scoring play. A penalty for offside pushed Gettysburg back to the 37. Jacob, who weathered his first experience in fine fashion, booted out on the Delaware 1.

Fumble Stalls Drive

Following Ujohal's nine-yard return of Borrensen's punt to the Blue Hen 24, the Bullets were on the march again but on a fourth down on the 15, Gagliardi fumbled a pass from center on a sneak play and Delaware took over again.

Penalties stopped what appeared to be a certain Bullet scoring drive in the third period. After neither team could gain on their respective series of downs, Earl Yost, a fine performer all afternoon, returned a punt for seven to the Bullet 27. Yost picked up seven more on a counter and Gagliardi sneaked for a first down. Eppelman, on a pitchout, went around right end for 18 and the added five more on a delayed buck to the Blue Hen 39. Ujohal and Gagliardi moved four and three, after which Eppelman on another pitchout skirted left end for 17 to move the ball to the Delaware 14.

Penalties Again

Here another epidemic of off-sides halted the Bullets. Eppelman hit center for five but Gettysburg was offside and penalized five. Yost, on a pitchout, was nailed for a three yard loss. A Gagliardi-Yost pass was incomplete. The Bullet quarterback tossed to Ujohal on the next play and when Delaware interfered the pass was ruled complete on the four. However, a lineman for Gettysburg was offside and the penalties nullified each other. On an attempted pass Gagliardi kept the ball and gained one and an incomplete pass ended the threat.

Delaware retaliated by driving from its own 23 to the Bullet 24 where Gettysburg held. On the first Gettysburg play, Yost fumbled and Flynn pounced on the ball on the scrimmage line. Flynn took a pitchout and dashed around left end for the second Blue Hen touchdown.

Gettysburg was in hot water the remainder of the game, with the home team scoring on a 32-yard drive with Carzo plunging over.

Should Improve

While Gettysburg's performance left a lot to be desired, the Bullets gave promise of developing into another fine team. Earl Yost, who played mostly on the defense a year ago, gave a fine performance both ways and saved several touchdowns with his deadly tackling. Walt Hem-

## Tickets Already In Demand For GHS-Hanover Game

Already the Gettysburg-Hanover High School football game to be staged here Friday night is shaping up as one of the top football attractions of the season.

George Forney, local athletic director, announced this morning that he has sent a block of 500 reserved seat tickets for the south stands to Hanover. Nighthawk authorities indicated they expect to apply for more—so great is the interest in Hanover.

Additional reserved seats will also be made available to local fans on the home side of the field as a means of avoiding congestion at the gates Friday night. The tickets were placed on sale today at the Britcher and Bender store, Rea and Derick, and Peoples Drug store.

## Scouting The Series

### Dodgers Hold Advantage Over Yankee Infielders

(This is the second of four stories comparing the Yankees and Dodgers.)

By FRANK ECK

AP Sports Editor

NEW YORK — The Yankees hold the edge in depth but man for man Brooklyn's regular infield appears more capable than the Yankee quartet.

Despite Gil Hodges' horrible showing in the Series last fall when he failed to hit in 21 official trips to the plate, the Brooklyn slugger must be picked over Joe Collins, the Yankee regular first sacker.

Hodges snapped out of a slump last July and since has been enjoying one of his best years. He will have many rooting for him in the Series. Collins has yet to play a full Series, having been replaced by Johnny Mize in the last two classics.

For 13 Series games, Hodges has a 103 average. Collins, 133. At second base, National Leaguers will go for Junior Gilliam, a switch-hitting Negro, over Billy Martin. Gilliam could be voted the rookie of the year in his circuit, having missed only four games. He has been outitting Martin by 30 points and is one of the game's six best base stealers. He makes an ideal leadoff man, having recently set a league rookie record for drawing walks.

Martin is a scrappy player and though he has hit only 217 in eight Series games he caught a tricky

infield fly that saved the 1952 Series.

At short, a healthier Pee Wee Reese is given a bit of an edge over Phil Rizzuto who has ulcers and other ailments. Just how Rizzuto will stand up in this 50th World Series is a big question. He has taken a terrific banging up on double plays in previous classics and this one could be too much for him.

Reese, who hit .345 last fall, has a .297 Series mark with 27 hits in 24 games. Rizzuto has hit .235 with 35 hits in 39 games. Both are great bunters and can work the hit and run. Reese is the better base stealer.

Billy Cox At Third

At third base there is only one man—Billy Cox. The Dodger is having his best year at the plate and owns a .300 Series average for nine games. Yankee Gil McDougald has put Yankee pitchers in trouble with his fielding on bunts and the Dodgers probably will "lay down" a few at the right time. Mac has hit .229 in 13 Series games.

Yankee infield depth features Mize and his big bat. Big Jawm got his aging bones (he's 40) off the bench last October and hit three homers to drive in six runs. Mize has a .308 Series average for 15 games. Behind him the Yankees have returning serviceman Gerry Coleman, a hero in his three previous Series with timely hits; rookies Andy Carey, Don Bollweg and Gus Triandos and weak-hitting Willie Miranda to spell Rizzuto.

If the Dodgers get in a real jam they can call Jack Robinson from the outfield. Bobby Morgan is their No. 2 third baseman and Wayne Belardi, a left-handed power-hitter, is the bonus rookie who filled in so well during Hodges' slump.

Dean Sell's placement kick for the extra point following a third period touchdown provided the winning margin as Littlestown High School edged Susquehannock 7-6 in a Laurel Conference game Saturday on the losers' gridiron at New Freedom.

The victory was the first of the campaign for the Thunderbolts after a deadlock and one setback.

Coach Clay Evans' lads were forced to come from behind to win. Susquehannock tallied in the first period when Paul Kemper smashed through the center of the line from the two-yard mark.

Dave Bucher, Littlestown tackle, broke through to block the placement attempt by Arthur which was to prove a vital play.

In the third period Littlestown worked the ball into Susquehannock territory and with the ball on the 30-yard stripe, Don Kump dropped back and fired a pass to Dean Selby who gathered in the leather on the 14 from where he raced over.

Game Statistics

Sell converted which was to prove the margin of victory.

Littlestown made eight first downs while Susquehannock rolled up nine. The Bolts completed three of seven passes and Susquehannock connected on six of 12 while one was intercepted. The losers suffered three penalties totaling 25 yards. Littlestown escaping without an infraction.

Next Saturday the Thunderbolts will play at Washington Township. The Bulldogs, defending Laurel champions, have won their first two conference tests.

## TANEYTOWN IS PLAYOFF CHAMP OF SOUTH PENN

A four-run rally in the last of the ninth inning game gave Taneytown a 7-6 victory over Greenmount and the playoff championship of the South Penn Baseball League Sunday afternoon at Taneytown.

Greenmount got off to a 4-0 lead in the first half of the initial inning and picked up two runs in the fourth to make it 6-3 but Taneytown was not to be denied in its final turn at bat to snatch victory in a hair-raising finish.

The losers outthit their opponents 11-8 with Decker collecting three safeties. There were only two extra-base blows in the game, Kennel rapping a double for Greenmount and Unger poling a two-baser for the champions.

Sunday's game, witnessed by a big crowd, was the third and deciding game of a three-game series between the teams. Taneytown had won the initial game 2-0 and Greenmount the second contest 9-1.

Bonneauville won the regular league season title but was eliminated in the playoffs by Greenmount.

## Many Records Set In Majors By Dark Horse Players; Furillo And Vernon Head List Of Long Shots

By BEN PHLEGAR

AP Sports Writer

Baseball 1953 produced a pair of short-priced pennant winners and a host of long-shot individual champions.

The New York Yankees and Brooklyn Dodgers so clearly outclassed their opposition that a 10-year-old child who couldn't pick the winners by early June should have been chastised.

The Yanks, winning a record-breaking fifth straight crown, led for all but nine days of the season. They finished 8½ games ahead of the Cleveland Indians.

Furillo Surprised

Brooklyn clinched its second successive flag, unique in Dodger history, on

**Keep Amaryllis Away From Frost**

Amaryllis plants placed outdoors last spring to develop a maximum foliage growth must not be left there until the arrival of frost.

Weather reports and move them into a cool but frost-free cellar or shed when frost is predicted. Lift out those plants with a good clump of soil adhering to the roots. Let the foliage become dry naturally and remove when dry.

A temperature of 45 to 50 degrees will keep them in good shape until they start to make their new flower shoot of their own accord. When this shoot is about two inches high, bring the plants to light, potting those that need it, and begin watering lightly at first, heavier later.

**Fall Planting Vital For Spring Garden**

Novice gardeners must realize the tremendous importance of fall planting. The great majority are not aware that to provide a showy display early next year the spring-flowering bulbs must be planted from now until freezing weather makes further planting impossible. Tulips, daffodils and hyacinths are only the beginning, but they make a good start that will last for years if properly handled. For the complete show also include crocus, snowdrops, winter aconite, snowflakes, the various kinds of scilla, chionodoxa and the grape hyacinths (muscaria).

## The Ashley: Trim, Modern Ranch Design

Rooms ..... Six  
Bedrooms ..... Three  
Closets ..... Six  
Cubage, House: ..... 22,300 ft.  
Garage: ..... 4,200 ft.  
Dimensions ..... 45' x 26'

Simple landscaping is most suitable for this house as too intricate or ornate planting will detract from rather than add to the overall appearance of this ranch type home. Attractive exterior coloring, including multi-colored roofing, and a decorative front entryway can help greatly to enhance the exterior of "The Ashley" and give it a more individual appearance.

Measuring 45' x 26', the house requires a 65 foot lot. Cubage of the house is 22,300 feet; cubage of the garage is 4,200 feet. If the home builder so desires, a detached garage can be built in place of the attached one specified in the accompanying plan; such an arrangement should of course be made with the contractor before any actual building is started.

If the attached garage is constructed as specified, the connecting porch or breezeway can easily be used as a first floor laundry. The housewife will appreciate the convenient access to the yard from this first floor laundry.

Conveniently located between the kitchen and the dining room, the breakfast area actually is a room apart. It is large enough to serve as a general dining area and can be planned and decorated as such if you prefer to use the 13' x 12' den or dining room as a den or guest room. Plenty of storage area is provided in "The Ashley." Each of the three bedrooms has a spacious clothes closet; there is also a large linen closet centrally located near the bedrooms and the

## FATHER OF SIX IS BEATEN TO DEATH BY GANG

PITTSBURGH (AP) — Two teenagers are being held on murder charges today in what homicide detectives say was the brutal beating and kicking to death of a 52-year-old father of six who refused to give them a cigarette.

In addition, four other boys are being held as material witnesses and on assault and battery charges. The victim was David Jenkins, a janitor.

**Attacked By Gang**  
Charged with his slaying are William B. Hindley, 18, and Ronald Abersold, 16, both of Pittsburgh.

In custody as material witnesses and being held for court on the assault and battery charges are: Robert Neely, 14, James F. Needham, 16, James E. Ford, 16, all of Pittsburgh, and Cyril B. Holmes, 17, Midland, Pa.

Detectives Louis Hamel and Martin Corcoran said this is what happened:

Frank Stevens, 41, a barber who rooms at the Jenkins residence, was attacked by a gang of boys late Saturday night. He broke away and told his landlord what had happened.

**Died of Brain Hemorrhage**  
Jenkins went to a nearby corner, saw two boys loitering there and asked them if they had helped beat Stevens. They said they hadn't. They asked Jenkins for a cigarette but he refused.

**Newsboys Witnesses**  
The detectives said the two identified as Hindley and Abersold, pounced on Jenkins and began hammering at his face and body. He ran into the middle of the street and fell. He was dead on arrival at a hospital.

The officers said an autopsy disclosed Jenkins died of a hemorrhage at the base of the brain.

The detectives said Abersold, who had a three-quarter-inch cleat on the tip of his left shoe, said he kicked Jenkins, declaring:

"We were scared because he had a stick. We didn't want to do nothing, just hit and run."

The detectives said three newsboys who witnessed the attack declared Jenkins did not have a stick.

**EFFECTIVE SIREN**  
VULCAN, Alberta. (AP) — The National Research Council has set up a siren in a nearby field in an attempt to rid farmers of grain-consuming ducks. But the experimenters are dubious of the effects to the high-pitched device, called "Screaming Memie."

When they tried it near Kindersley, Sask., it scared 90 per cent of the ducks, but "dried up the cows and the hens stopped laying," said E. L. Paynter, Saskatchewan game commissioner.

## 43-Year-Old Plane Crashes; No One Hurt

QUAKERTOWN, Pa. (AP) — A low-flying 43-year-old plane crashed into a field a short distance from 300 spectators yesterday at the 50th anniversary of the first flight from Quakertown Municipal Airport.

The 1910 Curtiss Pusher, piloted by Paul Anderson of nearby Langhorne, consisted of a skeleton fuselage from single wing to tail section and a forward seat platform for Anderson.

No one was injured in the mishap.

TUCSON, Ariz. (AP) — There was Adam Zimmerman, a barber, giving a haircut.

Then his customer suddenly bolted from the shop, leaving the money for the unfinished trim. Minutes later, he was back but stayed only long enough to inquire who had cut his hair.

Another half hour passed before he returned.

Quickly, he strode up to Zimmerman, slapped him on the face and walked back out the door.

## ADMINISTRATION TO ASK SHARING ATOMIC SECRETS

By JOHN M. HIGHTOWER  
WASHINGTON (AP) — The Eisenhower administration probably will ask Congress next year for authority to give America's allies some secret atomic information as an aid to the Western defense buildup. Administration officials are reported to feel that development of the defense of Western Europe requires disclosure of more information.

The whole question has been under study and debate in the government since before the Eisenhower administration took over in January.

**Up To Joint Chiefs**  
The decision probably rests primarily with the Joint Chiefs of Staff, but it involves participation of the White House, State Department and Atomic Energy Commission in varying degrees.

Informed officials said four possible lines of action are open, but they indicated that the one most likely to be agreed upon is positive action by Congress to authorize disclosure. How Congress would react is open to question. Many lawmakers have opposed any relaxation of atomic secrecy.

**Chief Possibilities**  
Here are the major possibilities:  
1. A ruling by Atty. Gen. Brownell—assuming he so regarded the law—that present wording of the Atomic Energy Act against disclosure of data on the manufacture

and the use of atomic weapons does not prohibit giving essential facts on weapons effects and operations to Allied governments.

2. Revision of the law to strike out the ban against giving information on utilization of weapons to friendly governments. The administration could then assert there was no bar in the law to prevent informing the governments. This is criticized by various policy makers as a back door approach and one which would not wholly clear the question of authority.

3. Revision of the act by a positive declaration that the President may disclose some atomic information to Allied governments when he deems it essential to the national security to do so. Informants said this probably is the course which will be adopted as a proposal.

4. A series of far-reaching amendments to the law to authorize the release not only of weapons information but also of some atomic weapons themselves. This course has some urgent advocates but even its strongest adherents do not hold much hope of its adoption as an administration proposal.

# ROAD TEST RESULTS SEND THOUSANDS INTO BLUE SUNOCO STATIONS

U. S. Testing Co. proves Blue Sunoco gives up to 12.4% more miles per dollar than 15 premium-priced gasolines—matches them all for acceleration and performance!

Increased activity at Sunoco stations proves motorists are impressed by results of U. S. Testing Company road tests. Of the 16 gasolines tested, High-Test Blue Sunoco, the only regular-priced brand, delivered more miles per dollar, matched the acceleration and over-all performance of its fifteen premium-

priced competitors, which cost up to 3 cents more a gallon.

**One Grade—Highest Quality**  
For over 25 years, the Sun Oil Company has produced one—and only one—highest quality gasoline. This policy results in a premium-performing product at regular gas

price, as proved by Blue Sunoco's amazing showing against the 15 premium-priced brands.

## RUSSELL GIVES HIS VIEWS ON U. S. AID ABROAD

WASHINGTON (AP)—Sen. Russell (D-Ga.) said today he will support "reasonable" foreign military aid requests in the next Congress but wants this country to get out of the economic assistance field.

The Georgia Democrat, unofficial leader of a Southern Democratic bloc in the Senate, said in an interview he wants military aid limited to those countries which show concrete ability and willingness to help rearm themselves.

"I have a strong feeling, and I am sure it is shared by many of my colleagues, that we ought to get out of the field of giving eco-

nomic aid to foreign countries," Russell said.

### Up To FOA

His views on this score coincided largely with opinions voiced previously by Senators Knowland of California, the Senate Republican leader, and Lyndon Johnson of Texas, the Senate Democratic chief.

Russell, a member of the Senate Appropriations and Armed Services committees, said it will be up to the Foreign Operations Administration to lay before Congress proof that each nation for which it asks aid is doing its full share toward rearmament.

Russell said he is interested in learning how much the United States is putting up in a proposed billion-dollar outlay for the manufacture of ammunition in Western Europe. North Atlantic Treaty Organization headquarters announced this program last Friday, but the amount of the U. S. contribution was not divulged.

## Income Tax Will Be Cut In 1954 But Increase In Social Security Tax Goes Into Effect

By JAMES MARLOW

WASHINGTON (AP)—What's the tax outlook for you in 1954?

At this moment, if you're an individual taxpayer, you can be virtually sure of only one cut.

That reduction, a drop of about 10 per cent on individual income taxes, goes into effect at the start of 1954.

It won't be a cut in the tax you pay on the 1953 income you're now earning. It will be a cut in the tax you pay on your 1954 income.

There are two reasons for saying this reduction is coming: (1) the law passed by Congress calls for it and (2) the Eisenhower administration says it won't oppose this cut.

### Boost Security Tax

But what some people save by this reduction in their 1954 income tax may be offset by an increase in their social security, also scheduled to start Jan. 1. On that date the social security tax, which employers and employees both have to pay, goes up from 1½ to 2 per cent.

There are other cuts which may go into effect in 1954 and mean a saving for many people. They are on the excise taxes on a number of items people buy.

These reductions, under law passed by Congress, are scheduled to take effect next April 1.

There are excise taxes on many items. Not all of them take a dip April 1. Only some. For instance, on liquor, cigarettes, new cars, the tax is due to go down.

But—even though Congress by law set April 1 for this excise reduction, it cannot be said positively now that this cut will take place.

### May Need Money

The Eisenhower administration may need money badly by April 1 and urge Congress, which will be in session then, to pass another law delaying the reduction to some future date. President Eisenhower has already made such a request, but he did not press it this year.

This drop in excise taxes would cost the government about a billion dollars. Whether Congress would listen to the administration and delay the reduction remains to be seen.

In 1954 Congress will be in a mood to cut taxes, not raise them, for 1954 is an election year for all 435 House members and one-third of the 96 senators.

Congressional committees which deal with tax matters are now

busy looking at the tax laws with the idea of bringing them up to date and perhaps making changes to save some taxpayers money.

### Face New Problem

For example, the committees face this question: Should a taxpayer with an under-18 dependent who earns \$600 or more a year be allowed to claim that person as a dependent?

Also there is the problem of parents with over-18 children going to school. If one of these children earns over \$600 during summer vacation, should the parent, if providing more than half the support, still be able to claim that child as a dependent?

Under present law you can't claim as a dependent anyone who earns \$600 or more even though you pay more than half his support.

Anyone who can justly claim another person as dependent is allowed a \$600 exemption from his own income before what's left is taxable.

### Plan Adjustment

Also, to take another example, the congressional committee staffs are considering making some adjustments in the law covering the payment of alimony.

At this moment there's no certainty these problems or many others being examined by the committees' staffs will become law in 1954.

If the Eisenhower administration feels too badly pinched for money, it may ask Congress to raise money by some kind of tax, perhaps a new one. A sales tax has been mentioned.

But Congress, thinking of what the voters will do in November 1954, may prefer to raise no taxes, at least on individuals, until the nonelection year of 1955.

Many peaks in Kings Canyon National Park in California are from 12,000 to 14,000 feet high.

If you are an experienced oil burner mechanic able to do a complete installation job, you have the opportunity to relocate in a nearby community with one of the fastest growing organizations in this field. Experience on several types of equipment desirable. Excellent working conditions, group insurance, paid vacations, and holidays. State qualifications and experience in writing to Box #67, Gettysburg Times.

# MERCURY HITS 100 IN TEXAS AND 32 IN MICH.

By The Associated Press  
A warm early morning presaged another scorcher today for Texas, one of four states which had record heat yesterday.

And light rain continued to fall in Southern Florida, one of several Southeastern states drenched yesterday by the dying Hurricane Florence.

Elsewhere, except for light rain in the Pacific Northwest and clouds along the Pacific Coast, skies were mostly clear. Temperatures, except for some in the 30s in Northern Michigan, were seasonable.

Texas, Arkansas, Colorado and Louisiana saw heat records for this late in the year established yesterday. It was 100 in a score of Texas cities, and 110 in Central Texas, had 112. It was 100 in Shreveport, La., 98 at Little Rock, and 96 at La Junta, Colo.

By way of contrast, it was 32 at Cadillac, Mich., early today.

The sixth hurricane of the season quickly lost its punch when it reached the Florida coast, but it dumped such 24-hour rainfalls yesterday as six inches at Columbia, S. C., 3.42 at Savannah, Ga., and 3.33 at Raleigh, N. C.

The rain in the Northwest also was a holdover from a storm. Winds up to 51 miles an hour toppled utility lines and trees in
